RE: Water District 45-A, Basin Creek

Dear Mr. Wells;

We have received your unsigned report of water deliveries and costs in your district for last year. Since you were never appointed as a watermaster last year, I do not plan to do anything with this document except place it in the appropriate file. Even if you had been appointed, the document is incomplete without your notarized signature.

Regards,

James E. Stanton  
Sr. Water Resource Agent
